

SO YOU WANT TO BECOME A

Professional ICF coach?

Master Certification Programme for Coaches and Leaders Level 2

This education is for you who is passionate about helping others in their professional career and personal development. You are goal oriented and want to achieve the best and highest results both for yourself and for others. You are committed to focus your energy and drive for reaching this goal. No matter if you already work as a coach or if you have a management or leadership position, this education will improve your leadership and coaching skills.

Our intention is to equip you with the best professional tools in the field of coaching and leadership.

THE PROGRAMME

These 16 days coaching education consists of 2 Blocks, 8 days each. The first one is Basic Level, and the second one is Professional Level. Mentor Coaching, Observed Sessions and other assignments mandatory for successful completion of your education are included. Performance Evaluation comes as the final part after completion of all of the mentioned above.

The whole education is accredited by the ICF, (International Coaching Federation) serving and supporting professional coaches on a global market for the past 30 years.

ICF CREDENTIALING

Once you have received the certificate for successful completion of coaching education issued by CoachCompanion, you may begin the credentialing process at ICF. Upon receiving your application for desired credentialing (ACC or PCC) you will be guided to take the Examination, conducted by ICF.

CoachCompanion aims to achieve the highest passing score of our participants at the ICF's examination platform. We will partner with you throughout the whole process. Your goal is our goal!

Support and individual solutions are offered upon onboarding this education.

For detailed information regarding ICF's credentialing, please visit:

Why CoachCompanion

One of Sweden's oldest education organisations providing professional coaching & leadership trainings.

CoachCompanion is one of the oldest and most experienced organisations in Sweden offering coaching education both in Sweden and worldwide since 2004. This programme is delivered in Swedish and English.

CoachCompanion meets the requirements and demands of the modern, global society and offers coaching education ONLINE, welcoming participants to meet, learn and accomplish desired results from the comfort of their own homes.

CoachCompanion is accredited by the ICF to handle the whole education, including the Performance Evaluation, which makes the whole process towards credentialing smooth and easy, so-called All-Inclusive service for participants.

We partner with our participants all the way, from the very first day of education throughout the application for earning the ICF credentialing, recognized worldwide.

CoachCompanion's education programmes are well-known for deep and profound professional knowledge packaged in easy-to-understand modules and training days. Our participants report that they experience life-changing personal insights. We are also acknowledged for our ability to mix "hard" and "soft" values, tools and skills. Everything is delivered in an atmosphere of acceptance and growth, which is the best platform for learning and achieving great results.

WELCOME TO THE WORLD OF COACHING!
