Why CoachCompanion

One of Sweden's oldest education organizations in professional coaching & leadership

CoachCompanion is one of the oldest and most experienced organizations in Sweden offering coaching education both in Sweden and worldwide since 2004. This programme is delivered in Swedish and English.

CoachCompanion meets the requirements and demands of the modern, global society and offers coaching education ONLINE, welcoming participants to meet, learn and accomplish desired results from the comfort of their own homes.

CoachCompanion is accredited by the ICF to handle the whole education, including the performance evaluation, which makes the whole process towards credentialing smooth and easy, so-called All-Inclusive service for participants.

We partner with our participants all the way, from the very first day of education throughout the application for earning the ICF credentialing, recognized worldwide.

CoachCompanion's education programmes are well-known for deep and profound professional knowledge packaged in easy-to-understand modules and training days. Our participants report that they experience life changing personal insights. We are also acknowledged for our ability to mix "hard" and "soft" values, tools and skills. Everything is delivered in an atmosphere of acceptance and growth which is the best platform for learning and achieving great results.
