

BLOCK 2

PCC further education Block 2, Level 2

Master Certification Programme for Coaches and Leaders

This programme is for you if you are ready to take your next step in coaching education.

With growing awareness of the impact of professional coaching, the demand for professional and credentialed coaches is higher than ever. The International Coaching Federation (ICF), the leading global organisation in professional coaching and leadership, upholds the highest standards for the profession and is committed to ensuring quality in professional coaching.

Block 2 is your next step towards completing Level 2 Education and achieving the ACC or PCC Credential, prestigious credentials issued by ICF, for which you are eligible after completing your coaching education at CoachCompanion.

The Master Certification Programme offers quality, competence and professionalism, providing you with the knowledge, skills and tools needed to successfully reach your credentialing goal. At CoachCompanion, we create a safe learning environment where people develop and learn by doing—practising coaching from the very first day of their education!

Your next step starts here.

Who can apply?

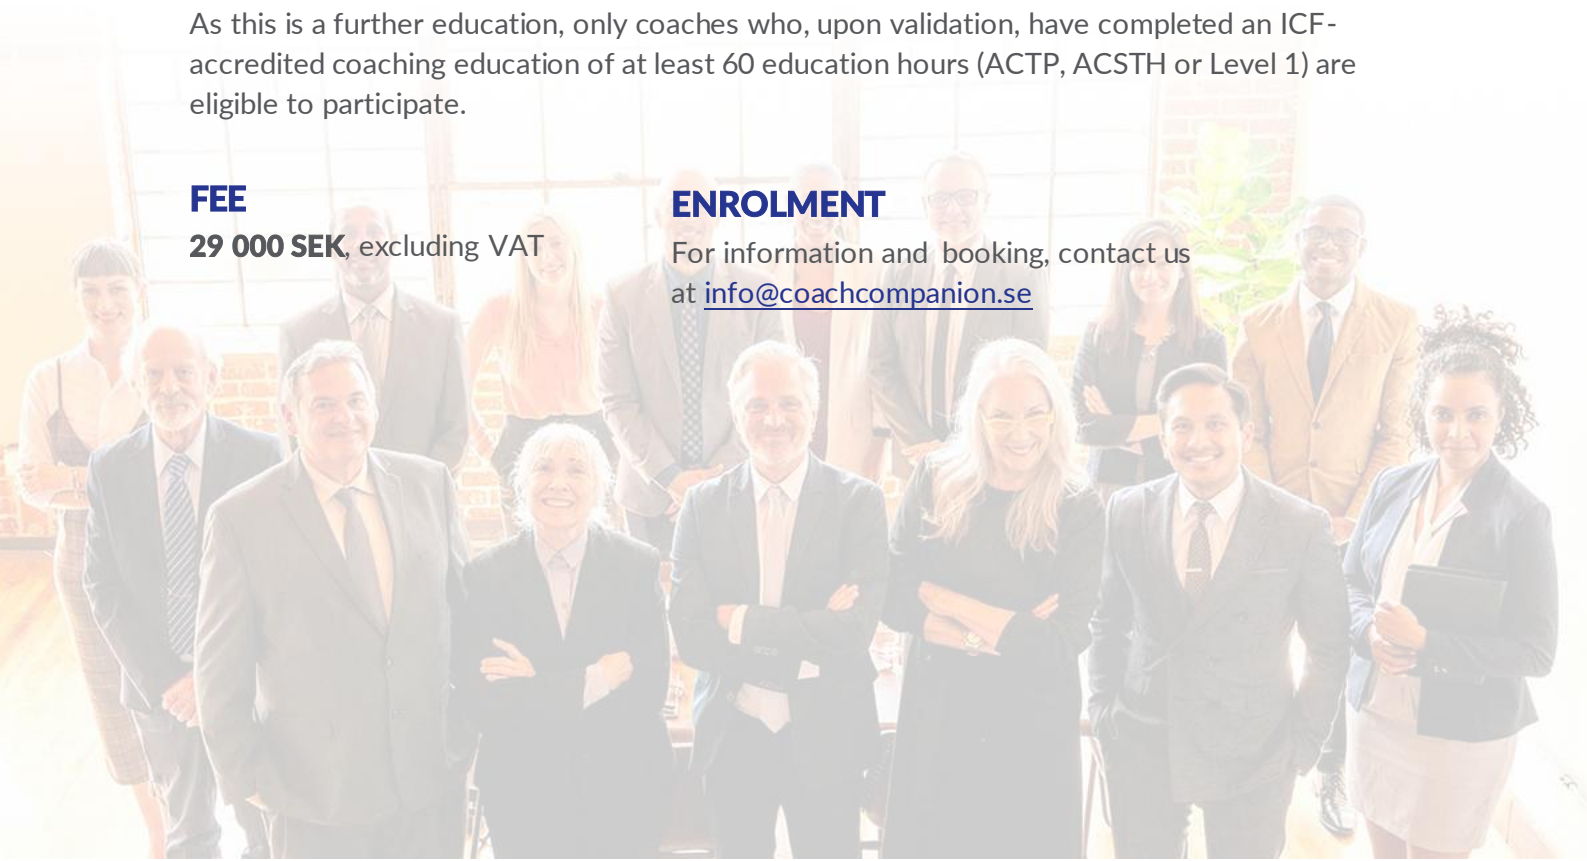

As this is a further education, only coaches who, upon validation, have completed an ICF-accredited coaching education of at least 60 education hours (ACTP, ACSTH or Level 1) are eligible to participate.
