ACTP training program – STEP 2

This training is for you who is passionate about helping others in their professional career and personal development. You are goal oriented and want to achieve the best and highest results both for yourself and for others. You are committed to focus your energy and drive for reaching this goal. No matter if you already work as a coach or if you have a management or leadership position this training will definitely improve your leadership and coaching skills.

Our intention is to equip you with the best professional tools in the field of coaching and leadership.

PROGRAM

This is eight days live training, two days (in a row) per month, held on Zoom platform. After completion of training, mentor coaching and the final oral exam you are entitled to ACTP certificate, required for becoming an ICF certified coach on ACC or PCC level.

As a certified ICF coach, you are equipped with the powerful coaching tools to apply in your future career, update your CV or gain more skills as a manager.

The whole training is based on the core competences ICF (International Coaching Federation) has defined for professional coaches on a global market.
